## आज की दुनिया में क्या खो गया?

## WHAT HAVE WE LOST IN MODERN LIFE?

In today's fast-paced world, we face a crisis of disconnection. Mental health challenges, environmental destruction, and loss of community have become the norm.

- **1 in 5 Indians** suffer from anxiety or depression
- **Urban isolation** = Loss of community and meaning
- **Women lack** dignified economic opportunities
- **Environmental crisis** = Unsustainable consumption

रोटी, कपड़ा, मकान... और शांति।  
बस इतना ही तो चाहिए इंसान को।

*(Food, clothing, shelter... and peace. That's all a human needs.)*

# हर किसी के लिए जगह है THERE'S SPACE FOR EVERYONE

We believe access to conscious living should never be limited by money. Our triple pricing model ensures dignity, sustainability, and generosity coexist.

## COMMUNITY PRICE

सामुदायिक मूल्य

Café meal: ₹60  
Retreat: ₹8,000

If money is tight. No questions asked, no proof required. Your dignity matters more than our profit.

## FAIR PRICE

उचित मूल्य

Café meal: ₹120  
Retreat: ₹15,000

Covers actual costs. This is the true cost of operations. Choose this if you can afford it.

## SUPPORTER PRICE

समर्थक मूल्य

Café meal: ₹180  
Retreat: ₹25,000

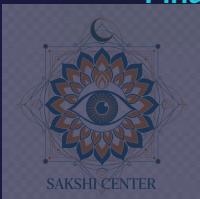

Help others access. Your generosity subsidizes community pricing. You make it possible for others.

- **30% scholarships** funded by supporter pricing
- **Financial sustainability** = Fair price covers costs

- **Zero discrimination** = Everyone treated equally
- **Community solidarity** = We rise together

"अगर दिल चाहे तो दे दो, अगर ज़रूरत हो तो ले लो।"

*(Give if your heart wishes, take if you need.)*

**तीन साल में क्या बदल सकता है?**

## **WHAT CAN CHANGE IN THREE YEARS?**

By Year 3, Sakshi Center will be a thriving ecosystem demonstrating that conscious capitalism is not just possible—it's profitable, sustainable, and transformative.

# दृष्टि: भारत भर में प्रतिकृति
